- ➔ Overall responsibility for repair and maintenance projects regarding deadlines, costs and quality
- ➔ Support in the acquisition of new repair and modification projects
- ➔ Support for existing projects and locations where Part 145 activities are carried out (Austria/UAE/USA)
- ➔ Optimization of internal FACC MRO processes and procedures
- ➔ Interface to the FACC Part 21J design organization
- ➔ Deriving requirements from Instructions for Continued Airworthiness documents such as CMM, SRM, AMM
- ➔ Participation in customer and authority audits

## Your profile:

- ➔ Technical education (apprenticeship, HTL, Uni/FH)
- ➔ 2-3 years of profession experience in the field of technical discipline desired, preferably in the field of aviation, Continued Airworthiness/MRO
- ➔ Good English skills
- ➔ Good MS-Office skills
- ➔ Ability to work in a team, reliability, willingness to learn
- ➔ Technical training (apprenticeship, HTL, university/FH)
- ➔ 2-3 years of professional experience in technical disciplines desired, preferably in the field of aviation, continued airworthiness/MRO
- ➔ Good English knowledge
- ➔ Good MS Office skills
- ➔ Ability to work in a team, reliability, willingness to learn

## Advantageous:

- ➔ SAP knowledge

## We offer:

- ➔ Highly flexible work times
- ➔ Happy Birthday: a free day for your birthday
- ➔ FACC Job Rad: Lease my bike
- ➔ Company canteen as well as lunch allowance
- ➔ FACC Bonuscard, many discounts and offers in regional stores
- ➔ Year-round childcare possibility
- ➔ Firm internal health program containing various activities and programs to promote health
- ➔ Strong and steadily growing company
- ➔ Diverse and international work environment

- ✈ Various regular further education and training
- ✈ Crew events/Team events

We are interested in you even if you do not fulfill the above skills and characteristics 100%. You are welcome to convince us of your motivation for further development in a personal interview. Our guiding principle applies here: credible willingness and a willingness to learn are more important to us than 100% ability.

If you want to make a difference in your day-to-day work as well as take part in our success, then we are looking forward to your meaningful job application, preferably by online form.

According to the GBG, we are referring to ladies, gentlemen and divers.

Your annual salary is based on your previous professional experience and educational level and ranges between € 42.000,- and € 56.000,- gross pa. full-time basis. If you exceed the requirements, we can adjust this scale. As an international company, FACC also offers interesting development opportunities and attractive social benefits.
