

Procurement Quality Assurance Engineer - Electrical (m/w/d)

COMMITTED TO THE SKY - The passion to go beyond existing horizons defines our company. Innovative lightweight solutions for the aerospace industry are and will remain our core business. We find new ways and solutions for the fields of Aviation, Urban Air Mobility and Space through our commitment and competencies. FACC offers both career starters and people with professional experience varied and exciting positions.

Your responsibilities:

- ➔ Creation of supplier complaints including MRB, coordination with other departments, returns and claims
- ➔ Demanding root cause analyzes including remedial and preventive measures (8D, A3, 5 Why, etc.)
- ➔ Claim creation and active participation in negotiations
- ➔ Quality responsibility across the entire supply chain of a commodity
- ➔ FAI verification in accordance with AS9102 (also on site and with the customer)
- ➔ Carrying out process and product audits (with customer contact)
- ➔ Quality planning for suppliers (Q plans, FAI, ATP, incoming inspection)
- ➔ Supplier qualifications and process approvals
- ➔ Implementation and management of improvement projects (external/internal)
- ➔ Participation in the supplier selection process

Your profile:

- ➔ Successfully completed education in electronics or electrical engineering
- ➔ Min. 3 years of experience in electronics in an aviation or industrial company
- ➔ Technical expertise in industrial manufacturing of electronic and related components & processes (functional testing, repairs, soldering, IPC/WHMA standards)
- ➔ Relevant professional experience in quality assurance in purchasing or quality management
- ➔ Very good knowledge of English and German (business fluent)
- ➔ MS Office
- ➔ Willingness to travel (min. 25%)

Advantageous:

- ➔ Auditor approval
- ➔ Audit experience regarding electronic processes
- ➔ Knowledge of quality methods and standards (6 Sigma, Lean, FMEA or APQP, PPAP)
- ➔ SAP

We offer:

- ➔ Highly flexible work times
- ➔ Happy Birthday: a free day for your birthday
- ➔ FACC Job Rad: Lease my bike
- ➔ Company canteen as well as lunch allowance
- ➔ FACC Bonuscard, many discounts and offers in regional stores
- ➔ Year-round childcare possibility
- ➔ Firm internal health program containing various activities and programs to promote health

- Strong and steadily growing company
- Diverse and international work environment
- Various regular further education and training
- Crew events/Team events
- Smart mobility: e-cars for carpooling

If you want to make a difference in your day-to-day work as well as take part in our success, then we are looking forward to your meaningful job application, preferably by online form.

According to the GBG, we are referring to ladies, gentlemen and divers.

Your annual salary is based on your previous professional experience and educational level and ranges between € 39.900,- and € 50.400,- gross pa. full-time basis. If you exceed the requirements, we can adjust this scale. As an international company, FACC also offers interesting development opportunities and attractive social benefits.
